Emergency funds have been donated by North Central Michigan College (North Central) students, employees, their families, and many other individuals who are interested in helping students succeed. When funding is available, grants are provided to meet emergency needs that would otherwise prevent students from continuing their education at North Central.

The Fund is intended to assist students who have experienced an emergency situation that has caused a temporary financial hardship that would prevent them from attending classes. Emergency assistance is provided only for NCMC students during official semester dates.
